WELCOME

Welcome to fns - Interior Design Studio[®] Course Prospectus!

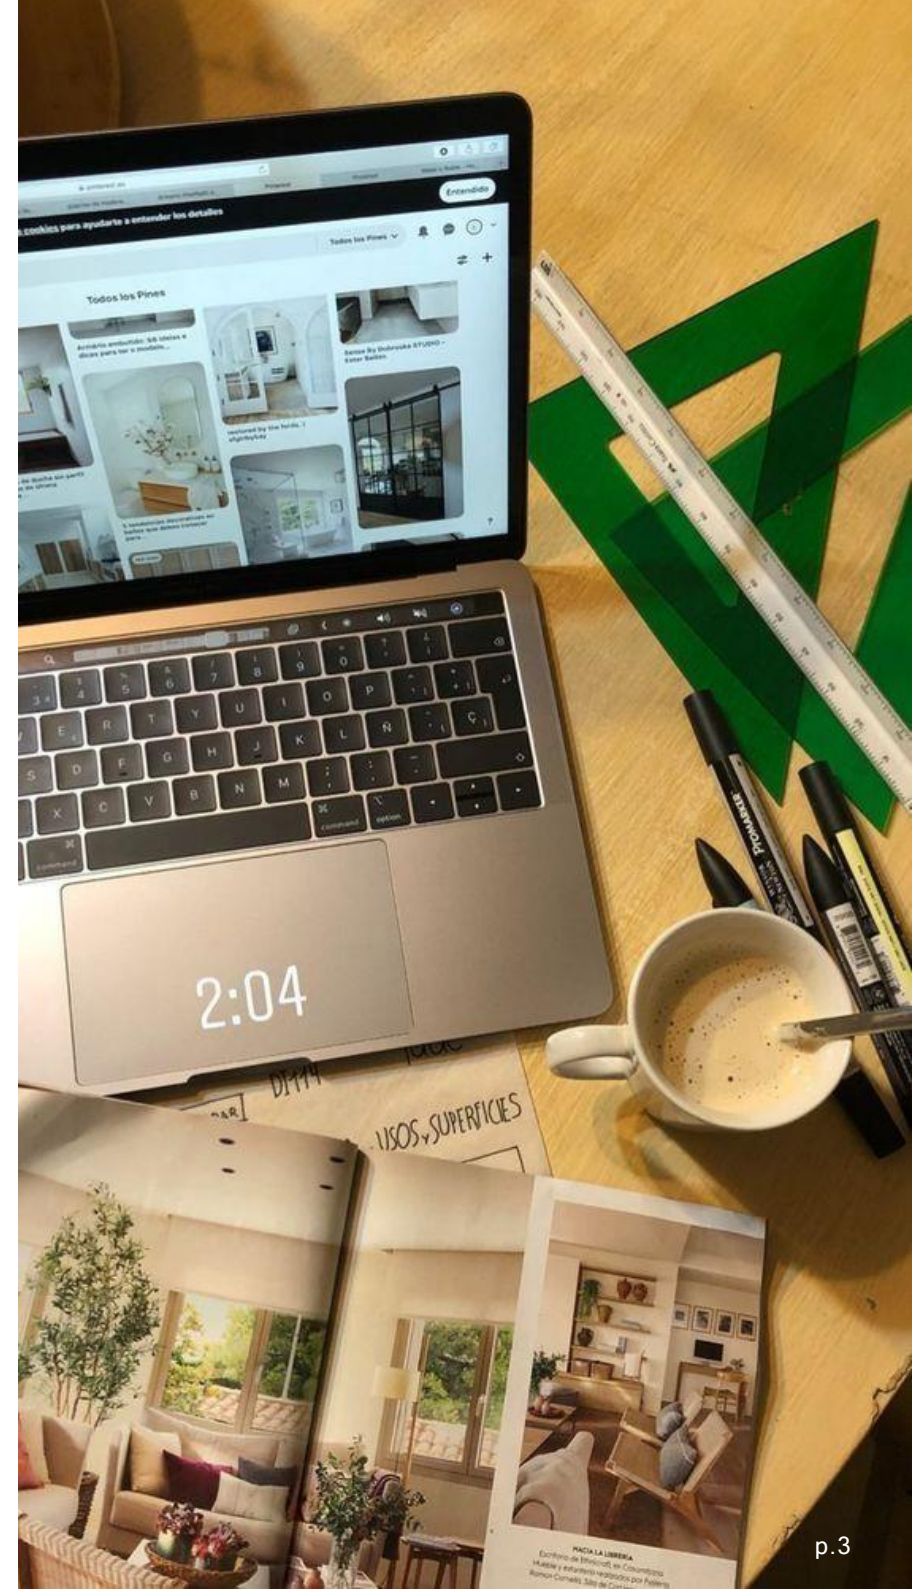

At fns – Interior Design Studio, we offer an online and on campus Interior Design Course.

For Online Students, it allows you to study at home, in your own time and at your own pace.

As online education is now the preferred method of study for many people all around the world, fns - Interior Design Studio has developed a unique learning platform and innovative course to provide you with everything you need to succeed.

You will receive:

- The skills and knowledge required to become a successful interior designer, either as a full or part-time freelance career or to enjoy an exciting new hobby.
- Extensive support from a variety of sources during your studies.
- Your tutor who will be there to help you 6 days a week in your scheduled hours.
- Personalized feedback on all your assignments and image submissions.
- Access to our dedicated Student Support team, available 24 hours a day, 7 days a week.
- Access to our exclusive Instagram group, designed specifically for our students.

OUR PHILOSOPHY

We believe good design is impactful, and everyday experiences should be enhanced by the beauty and mood of your surroundings.

Not everyone has time to study a 4 year, full-time course at university. So in 2020, we created the ultimate online course in interior design.

It caters to those who are on the move, the go-getters who have a side hustle and the stay at home mums and dads who want to learn how to renovate their own home or prepare themselves for a refreshing career.

We provide the technical and practical skills necessary to translate design ideas into reality, and our commitment to providing a quality training program has resulted in unique teaching and student support systems that have produced unparalleled results.

Not only is our program unique and interactive, but its fun, inspiring and provides you with the skills to start your own business!

OUR COURSE

Our online and on campus course is made up of 5 written modules and facilitate students with knowledge and skill-based assignments.

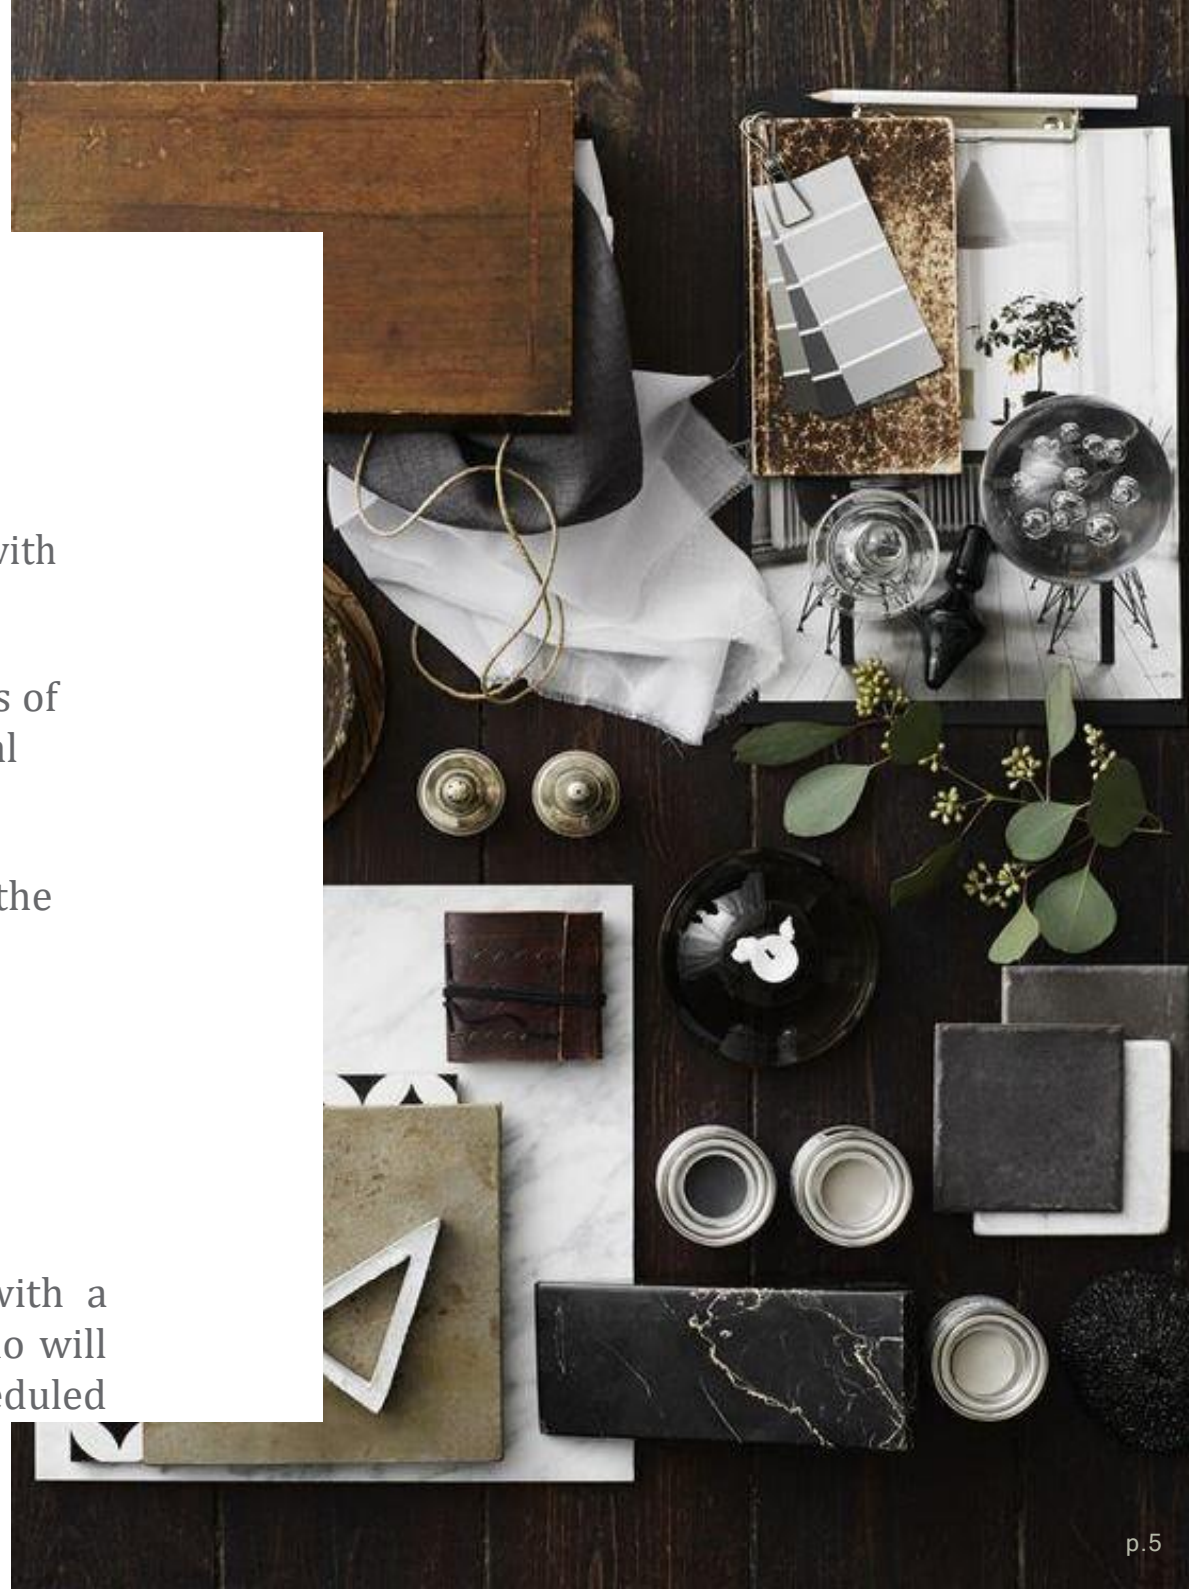

You have up to 12 months to complete the course with the option to extend if required.

During this time, you will be educated in all aspects of interior design by a highly experienced professional interior designer and educator.

Our course is cutting edge and written by some of the best working interior designers in the industry.

The aim of our course is to provide you with the knowledge and skills required for a career as a professional interior designer or to excel as a keen hobbyist.

To help you achieve this, you will be paired with a personal tutor for the duration of your course who will be there to help you 6 days in a week in your scheduled hours.

OUR ACCREDITATION FOR ONE YEAR DIPLOMA IN INTERIOR DESIGN

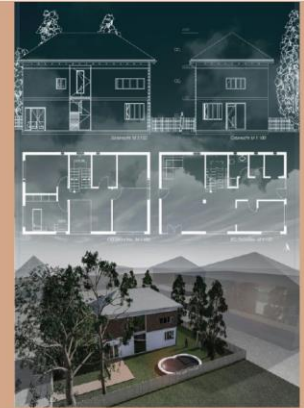

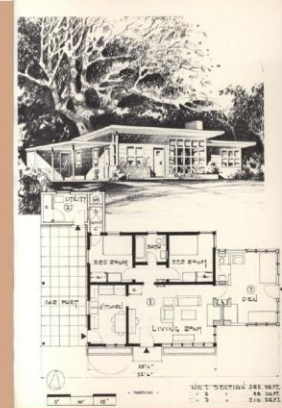

We strongly believe in providing the best quality service and learning experience available online. We have accreditation with Sindh Board of Technical Education to give you peace of mind and confidence in studying with us.

SBTE (Sindh Board of Technical Education)

FAQS

How long do I have to complete the course?

The course is designed to be self-paced. Normally, you would expect to be dedicating on average about 4-6 hours per week for 48 weeks for one year program. However, many students take up to one year to complete their studies because of family or work commitments.

How do I communicate with my tutor?

You can contact your tutor at any time through our secure student site, which you will gain access to once you enroll. Your tutor's role is to assess your assignments and provide you with feedback. They are also available to answer any questions you may have about the course.

Do I have to attend any classes?

No. The course is completed online. This means there are no classes to attend. You can study in your own time and at your own pace.

Do I have to have a background in interior design?

No. The course is designed to allow for students who have had little or no experience in interior design.

When can I start?

As the course is provided online, you have the flexibility to start when and where suits you. If you enrolled today, for example, you could start straight away.

What if I need more time?

If you need more time, you can purchase one of our affordable extensions. We currently offer 2, 6 and 12 month extensions. Alternatively, you can purchase an Advanced Unit, which will come with a 6 month extension.

Will I be able to chat with other students?

Yes. We have a dedicated student Facebook group with over 22k active members. This group allows you to connect with other like-minded designers where you can discuss your assignments, the course and all things design.

Can I purchase the Advanced Modules as a stand-alone course?

No. Unfortunately, we do not offer our Advanced Modules to the public. Only students enrolled in our course can purchase them.

REQUIREMENTS

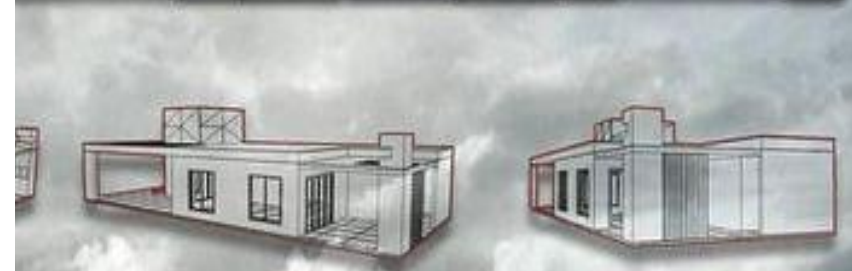

Previous experience in the design field is not necessary to enroll in our course.

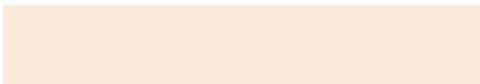

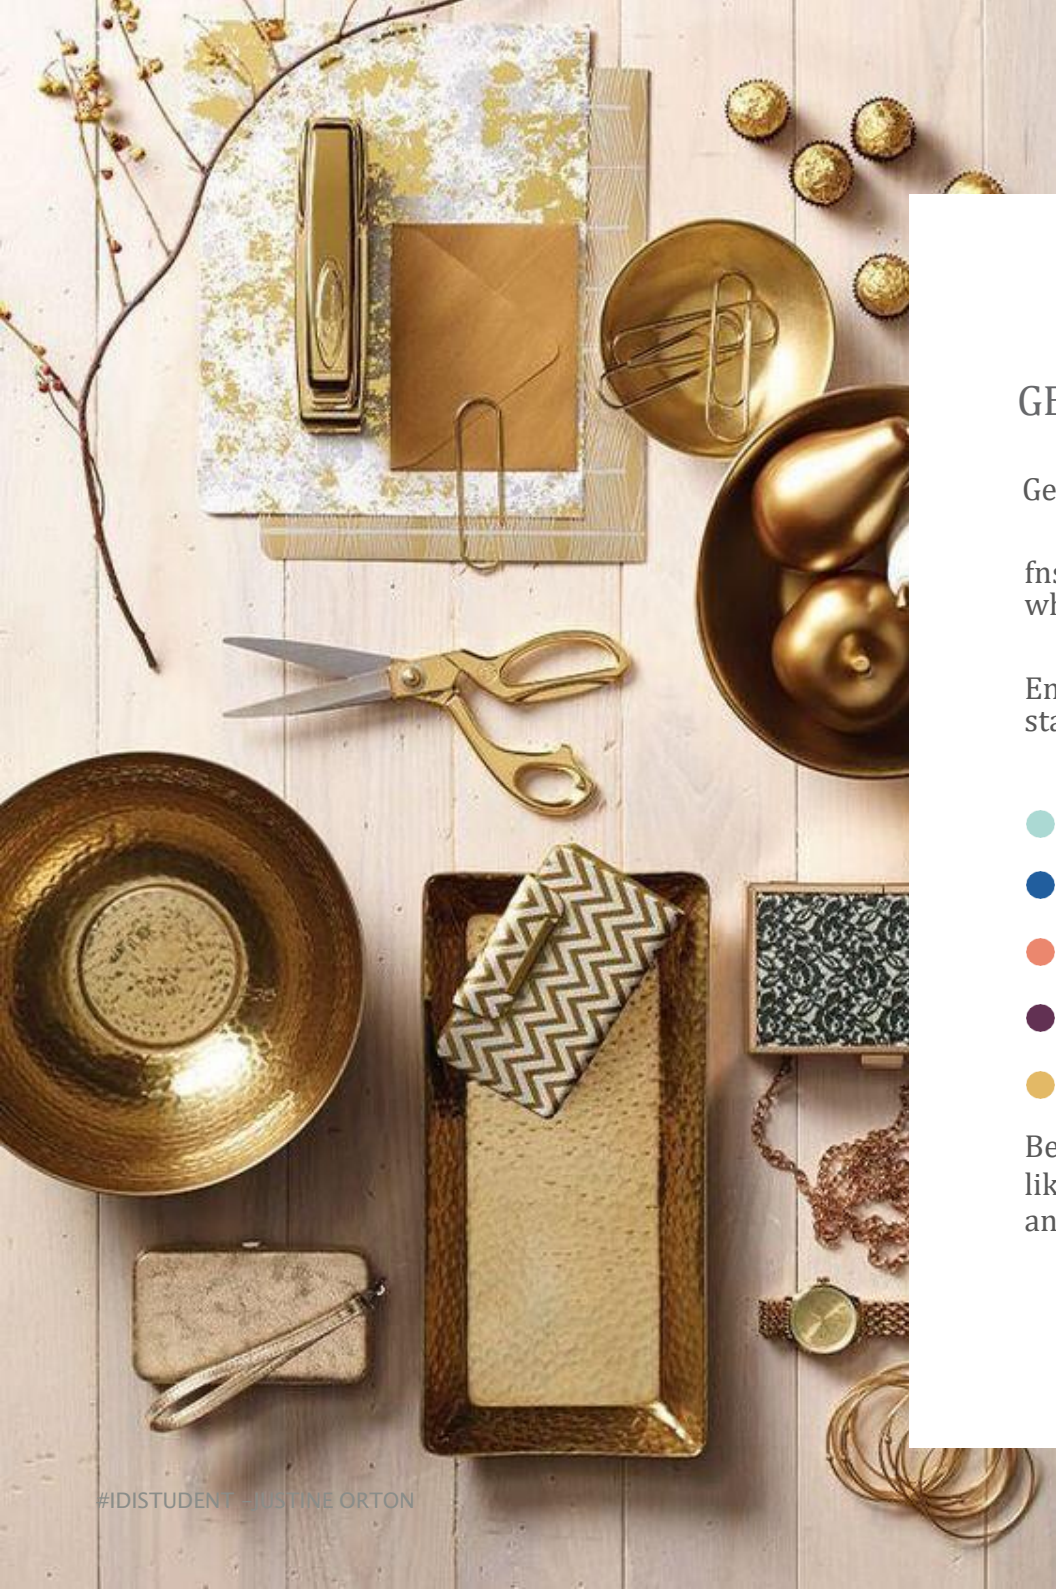

Our course has been developed for individuals who wish to practice interior design as a hobby, expand their existing knowledge, or become a working professional in the near future.

You will be required to submit diagrams, mood boards, sample boards, color schemes and illustrated plans during the course. A pencil, ruler and paper are recommended as a minimum to complete these tasks.

Aside from that, we only require that you have access to a computer with internet connection, and you bring all your enthusiasm and passion to succeed in what you love.

The student site, course materials and tutor can all be accessed from a Mac or PC and will also function on all popular mobile and tablet devices, including an I Pad.
